

Note, This is the most up to date information I have regarding trucks and owners, if you see something that you believe is incorrect, please e-mail to make this change. In regards to Engines, I know some of these trucks no longer have in them what is listed, but I am only listing what Engine it would have come with originally by the serial number. Currently 108 listings.

Bighorn Registry

Year	Model	Engine	Color	Owner	State
1973	CNT9500	350 Cummins	Gold	Youngblood, Tony	Georgia
